

Longtharai Logistics

About Us

Since **2004** We have been doing rake handling, loading unloading, and transportation of goods for the Government of Tripura, Indian Potash Ltd., Brahmaputra Valley Fertilizer Corp. Ltd., B.E.C. Fertilizers, Progressive Ferti Chem, Sai Fertilizers and other companies. With Great Enthusiasm **Mr. Ratan Debnath** started the business with the name "**Longtharai Logistics**" in 2012 with special emphasis on the transportation business to extend the modern facilities of goods transportation and warehousing. We promise to collect orders from any willing company and carry out rake handling, loading unloading, and transportation of goods with care and skill.

Warehouse Capacity

During the year **2009-2010**, initially we started with some temporary construction for our own trading items and there after with some semi permanent warehouses of about **1 lakh sq. ft.** were constructed in R.K. Nagar, and remain open for the warehousing of other private companies.

In this way, in 2012, we constructed another **1 lakh sq. ft.** warehouse with state of the art quality and amenities.

Our Goal

In the near future we have a plan to build another **2 lakh square feet** warehouse with modern facilities.
